TONIC BITTERS

The Bitter Truth - Tonic Bitters were made to recreate exotic notes of citrus and spice, providing an authentic Gin and Tonic experience. Grapefruit, Sicilian lemon, lime and Seville oranges are the leading flavors backed up with herbal notes from juniper berries and coriander seeds and spices such as mace creating a grassy-fresh bouquet of like that of Japanese green tea. The bitters are also perfect for cocktails and long drinks that are based on clear spirits such as gin, vodka, tequila or light rum. The addition of 2-3 dashes adds depth and complexity to your drink.
